

Timeline of funding nine non-2A trails:

June 4, 2019: Council discusses and approves funding for Mad Rabbit NEPA. This 90 second video clip captures the understanding that 2A funds would go only to evaluate and plan 2A trails: https://youtu.be/N2a_IqKYEjk

July 2019 (various signing dates): City enters into a financial contract with USFS regarding Mad Rabbit NEPA and other trail related activities. It includes language that the City of SS shall "Provide funding for projects developed by the Forest Service and approved by the City's 2A committee." This delegates the discretion to the 2A Committee. Link [here](#).

July 16, 2019: USFS announces preliminary Mad Rabbit trails. On the USFS website a segment table is included showing 10 of 26 trails being within the 2A STA proposal. They are trails 19-27. Here is the USFS link:

https://www.fs.usda.gov/nfs/11558/www/nepa/105838_FSPLT3_4729050.pdf

July 17, 2019: 2A Trails committee meets. Functional equivalence is discussed. From the minutes: "Committee members wanted to start with a trail-by-trail comparison to determine what is eligible for funding."
